# FEATURES

### Powerful, Quiet and Clean Engines

Rev it up and get moving. The MX5100 boasts a turbo-charged, 50HP V2403-M-T engine that gives you the power to work more efficiently. It delivers an impressive 44 PTO horsepower, and features a built-in balancer that helps minimize vibration and noise.

### Hydrostatic Transmission (HST Model)

Kubota's new MX5100 HST model features hydraulic servo systems that increase pedal responsiveness, providing easy pedal-shifting operation for smoother performance and improved control, regardless of load size. Forward and reverse directional changes are simple. HST also reduces shock, vibration, noise and fatigue to improve tractor performance and operator comfort.

### Gear Drive Transmission (Gear Model)

Kubota's Synchro Shuttle Transmission lets you spring into action with smooth operability and powerful agility. The hanging clutch and brake pedals deliver easy manoeuvrability when shifting. And, with 4 main shift speeds and 2 range-shift speeds (Hi/Lo), you have 8 forward and 8 reverse speeds to choose from, giving you the versatility you need to maximize your productivity.

### Performance-matched 3-point Hitch

Kubota's durable 3-point hitch is performance-matched to operate seamlessly with the MX5100. It features telescopic lower link ends and stabilizers to allow easy attachment of a wide variety of Category I and II rear-mounted implements, and offer enormous lift capacity.

### Enhanced Operator Comfort

Kick back, relax, and get working. The MX5100's full-flat deck enables safe and easy mounting/dismounting, and the 760 spacious millimetres between fenders gives you all the room you need to work in comfort. In addition, the easy-to-operate hanging pedals optimize legroom, and, for really thirsty work, the convenient cup holder will always keep your beverage within easy reach.

# FEATURES

### Bevel-gear Front Axle

The MX5100 provides outstanding pulling power and traction in almost any working condition, and features a bevel-gear front axle to deliver a smooth and full-power transfer, and greater all-around manoeuvrability.

### Full-open One-piece Bonnet

The MX5100 is equipped with a slanted bonnet, halogen headlights, and newly designed front grill for improved visibility and a sophisticated appearance. The full-opening one-piece bonnet features dual gas shock assist for easy opening, so you can perform routine maintenance quickly and efficiently, and get back to getting the job done.

### Power Steering

Make tight turns or take the straight path with the same smooth ease. The MX5100 features responsive power steering to enhance manoeuvrability and make steering worry-free when a heavy load is applied or the front loader is used.
